Custom Glass

CHICAGO GLASS & MIRROR • EURO SERIES

Our unique pivot hinge system allows glass to go full height, or less than full height with the simplest of design. No more multiple holes in your tile, marble or granite. Just one hole top and bottom! Shown here with optional clips on stationary panel.

Our European Series Shower Door System shown here in 3/8" clear glass with oil rubbed bronze hardware.

Turn corners without using a frame. Your choice of finishes are available: polished brass, chrome, nickel, and all of the satins as well as a multitude of powder-coated finishes.

Glass can be never ending to follow the largest or the smallest shower areas. Shown here in 1/2" Starfire glass with a privacy sandblast.

Our European Series
3/8" Door and Panel.

Here we show a single
door, full height –
remember full
height isn't just for
steam applications
anymore, it simply
looks great! Just open
the door in when you're
finished to vent or
drip inside the shower.

Free standing glass can
give a "floating" effect!
Great for open areas or
wet areas. Can either
be operable...

---or fixed

CHICAGO GLASS & MIRROR • PRESTIGE SERIES

All finishes are anodized aluminum. Shown here as Door and Panel, standard height of 71" above the finished curb.

Our semi-frameless 1/4" glass doors allow for a simple and contemporary look. Single doors have no header. Shown here with optional 6" through glass pull.

The Framed Hinge Door. Its full length magnetic latch and solid construction make this door watertight while complementing its fine style.

Quality engineering combines with contemporary design to give you an easy-to-install, flush glazed enclosure with a rich look and clean lines..

CHICAGO GLASS & MIRROR • SLIDERS

A Hydro-slide enclosure provides a more modern look than the traditional sliding enclosure.

1600 series tub slider

CHICAGO GLASS & MIRROR • MIRRORS

We do all of our own fabrication in-house including polishing, holes, bevels etc.

How about spanning an entire wall – wall not perfectly straight?...no problem, we'll match your wall conditions.

CHICAGO GLASS & MIRROR • MIRRORS

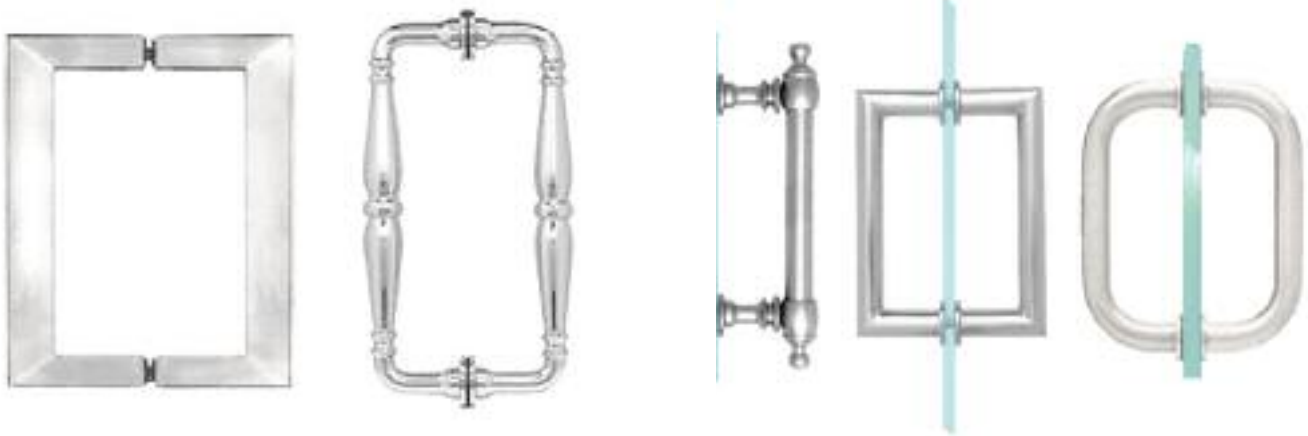

There is always room for mirrors!

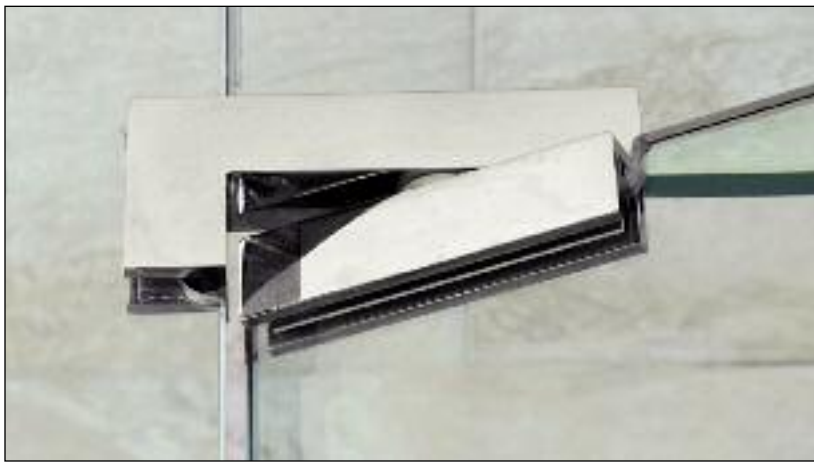

CHICAGO GLASS & MIRROR • CUSTOM GLASS

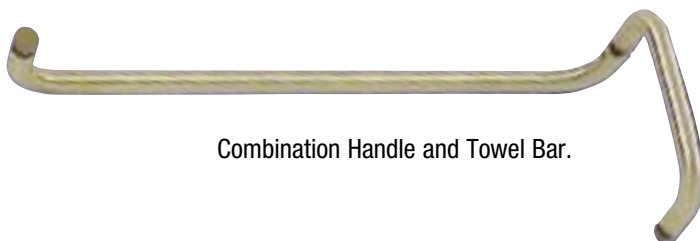

With our highly trained staff and designers we offer home consultations to help you capture your design intentions and select the right products for your space.

Not all finishes may be available for all types of units

Our unique shower door hinge systems add simplicity in design.

Combination Handle and Towel Bar.
